"It's higher quality."

@destineeshair

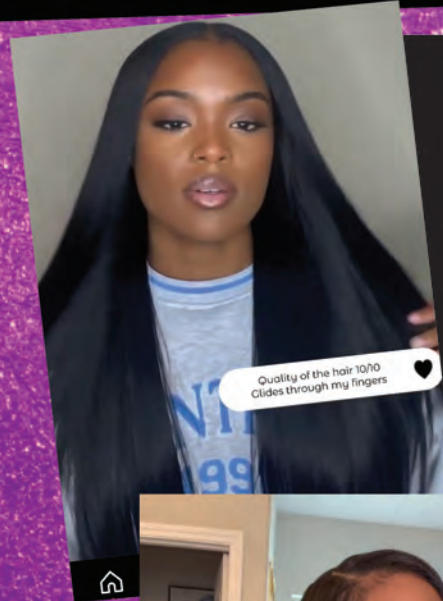

I like the hair you can definitely tell it's higher quality. It doesn't tangle easily, minimal shedding, and it's giving brazilian blowout.

One of my favorite hair collabs.

I didn't have to use heat on the hair with the initial install it came pressed out very well. It's super soft and I've gotten a lot of compliments on it.

@ray_thebaddest

I loved the hair. It is full from root to end. For the type of hair it took color well.

@audacioustresses

"Brand new hair again"

@hairbyrae

The hair seemed better after shampooing! It was like brand new hair again. Really soft, no shedding, or tangling. My client loves the hair it still held up really good without much maintenance.

The install was super easy.
I use one pack and a little bit out of the other.
And it definitely was enough for a full head.

The application was a breeze.
Two packs worked out great
I used almost two full bundles
and the free strands
from the second pack.

@bybrielemani

The hair was very beautiful
and it feels good
and very easy to use.

The loose curly pieces didn't get
tangled and came apart very easily.

BOHO LOC
9" 10" 11"

Love how the curls are placed in
different spots on each loc so
it gives nice full effect.

I actually added it on to
my booking site for my clients
to book because they all loved it.

@t_heff_locs

LITERALLY the cutest style ever!
The locs are super natural looking
and feeling, they were extremely
EASY to install and I've been able to
style it in so many different ways!

The hair is really good quality,
I definitely recommend this hair/
style to anyone looking to switch
it up + go with a style that's
super versatile too!

@tjthebraiderr

Extremely easy to install,
especially for beginners

I've been swimming with the locs,
gotten them wet and they remained
intact and looking fresh.

Maintenance required a bit of finger
detangling and some mousse and
the curls were instantly refreshed.
